Fusion Tools by Hot Tools Featuring Gemstone Technology
GemStone + Tourmaline + Nanotechnology

ALL FUSION TOOLS

20% OFF

The combination of Tourmaline and GemStone with nanotechnology is the best technology available to maintain and improve the integrity of the hair making it healthier, cleaner, shinier and silkier than ever before. It styles and dries the hair in record time, exposing the delicate hair shaft to less heat. Nano-sized particles allow Fusion Tools to give maximum benefits to your hair and release the energy of the elements involved.
